

## **Support Cleveland's Latino Community—May 15-29**

We will collect food for The Refine Church and the larger Latino community. Given the stress and fear currently being felt by those in this community, we are grateful to be able to help. Please bring items only from this list below to the collection bin in our lobby. **If you are coming to the congregational Shabbat dinner on May 15, bring your donation with you!**
